

Layos Camp Toledo

6 to 12 years old

General information

The camp takes place in our facilities in Layos, where we started 37 years ago, few km from the city of Toledo. Our main features are outdoor sports, nature and creative workshops. Campers have the possibility to do 6 different activities every day, swimming pool, free time, rest after lunch, night animation and day trips.

The students participate in housekeeping, daily laundry and dining room settings.

Campers are divided into two age groups. The Eagles (6-9) and the Crows (10-12).

Once they have rotated through all the activities, campers freely choose them daily.

The activities are directed by free time counselors or sports technicians trained in our official school. There is one monitor for every 4 students.
