

# Layos Camp Gredos

6 to 12 years old

## General information

The camp is held at our facilities a few kilometers from Cuacos de Yuste, set in the picturesque foothills of Gredos in Extremadura. It offers a unique environment, characterized by summertime warmth and cool evenings, thanks to the nearby river gorge.

Campers engage in six different daily activities, with two hours in the morning and two in the afternoon, encompassing sports, nature exploration, and the arts. The daily schedule includes free time, post-meal relaxation with films, swims in the adjacent natural pool, evening games, and day trips. Campers also participate in tasks such as housekeeping, daily laundry, and dining setup.

The campers are divided into two age groups: "The Eagles" (ages 6-9) and "The Crows" (ages 10-12). After experiencing all the activities, campers freely choose their preferences. These activities are overseen by counselors or sports technicians trained in our accredited school, maintaining a 1:4 monitor-to-student ratio.
