

Layos Kids Camp Gredos

6 to 12 years old

General information

This program is for those who are leaving home for the first time. The camp takes place in our facilities a few km from Cuacos de Yuste. A privileged environment in the foothills of Gredos, in Extremadura. With summer heat but cool at night thanks to the river gorge.

Campers have the possibility to do six different activities throughout the day. Two hours of activity in the morning and two in the afternoon full of sports, nature and artistic activities. The schedule is completed with free time, rest after eating enlivened with a film, swims in the natural pool that adjoins the camp, evenings games and excursions. The campers participate in the tasks like housekeeping, daily laundry, and dining room settings.

Campers are divided into two age groups. The Eagles (6-9) and the Crows (10-12).

Once they have rotated through all the activities, all the campers freely choose them.

The activities are directed by free time counselors or sports technicians trained in our official school. There is one monitor for every 4 students.
