

Layos Camp Sotogrande - Tarifa

11 to 14 years old

General information

We establish our camp four Km from the town of Tarifa on Los Lances beach, at Camping Rio Jara. Two fortnights throughout the month of July. We reserve an exclusive area that gives us privacy to develop a family atmosphere between children and counselors.

Our accommodation will be in tents. A simple and austere way of life that will put us in close contact with nature. In front of our camp, we face the sea and the beach that with an immense surface allows the development of part of the sports program. In addition, many days we will enjoy musical evenings, bbq or unforgettable sunsets.

Sotogrande is known worldwide . Quality and luxury come together in its Marina. There we will develop 5 days of sailing, a total of 10 hours. Few meters away from the Marina, there is the Padel and Tennis Club where campers can enjoy another 10 hours of classes taught by professionals that perfectly combine fun and learning. We will spend the whole day, we will eat at the yacht club and we will return to Tarifa at seven in the afternoon. A cosmopolitan touch to our country atmosphere.

Two different geographical areas, Tarifa and Sotogrande, from which we extract the best part of both. The outcome is a sporty and somewhat feral fortnight in which they learn to live simply, breathe fresh air, strengthen our bond with nature and improve in sports that will keep us in shape and make us very happy.
